

Proclamation

The Hawai'i Association of School Psychologists consists of psychologists and psychological examiners who are employed in the public schools, as well as university faculty, graduate students and retired school psychologists.

These professionals are dedicated to providing direct services and consultation in all areas of mental health to students, teachers, school staff and parents.

The association is committed to promoting educationally and psychologically healthy environments for all children and youth by implementing research-based, effective programs that prevent problems, enhance independence and promote optimal learning.

School psychologists have specialized training in both psychology and education and provide a host of services, including consultation, assessment, intervention and research. These services promote safe and supportive learning environments for every child.

The Hawai'i association joins with the National Association of School Psychologists in recognizing School Psychology Week in order to create greater public awareness of the many contributions of school psychologists.

THEREFORE, I, LINDA LINGLE, Governor of the State of Hawai'i and **I, JAMES R. "DUKE" AIONA, JR.**, Lieutenant Governor, do hereby proclaim November 6 through 10 2006 as

SCHOOL PSYCHOLOGY AWARENESS WEEK

in Hawai'i, and recognize these professionals for the work they do to improve the psychological well-being of our young people.

DONE at the State Capitol, in the Executive Chambers, Honolulu, State of Hawai'i, this eighteenth day of October 2006.
